

DONCASTER SECONDARY COLLEGE DRESS CODE AND UNIFORM LIST

Purpose of the Dress Code

At Doncaster Secondary College it is expected that the correct College uniform will be worn by all students in Years 7 – 12. The uniform must be neat, clean and in a good state of repair. **No non-uniform items are to be worn at any time.**

Rationale

The Victorian Government has granted all School Councils the authority to develop, implement and enforce a student dress code. A College uniform is important as a means of promoting a sense of individual and collective pride in students and identification with the school. A College uniform has the potential to promote individual and group security, as well as equality amongst students. A uniform worn well by its students has a direct impact on community perceptions about a school.

JEWELLERY:			
In order to maintain the high standards associated with our College, we would like to reaffirm the College Uniform Policy in regards to jewellery. College Council is clear in its rules regarding facial piercing. No facial piercing is allowed. Angst often occurs when children are allowed to have piercing performed during the latter part of the school holidays and expect to be able to wear the piercing on their return to school. If a student has pierced ears, the only earrings permitted are small silver or gold studs or sleepers. Any other jewellery must be worn unobtrusively.

Doncaster Secondary College has a uniform policy which all students from Years 7 – 12 are expected to follow. This policy was developed in consultation with the College community through the College Council.

The guidelines state that footwear for both girls' and boys' must be "black, polishable leather, lace-up, round toe, traditional school shoes. No runners, suede or fashion shoes."
