

PARENT PAYMENT ARRANGEMENTS YEAR 7 - 10

Dear parent/guardian,

Doncaster Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Doncaster Secondary College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has gone towards areas such as: Building Fund (tax deductible), Library Fund (tax deductible), College Wellbeing, Information Technology Support and additional classroom support. As an example, the College currently has a full time Health Centre Officer, added Careers/Pathways support and also a significant financial commitment through a Co-op loan for our self-funded sport stadium. We also run many more educational programs and remedial support options to create a positive environment and improved learning outcomes.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

GLENN MORRIS
Principal

VICKY PARADISIS
College Council President

Educational items for students to own:

BYOD is compulsory for students in Years 7, 8, 9 and 10.

"Bring Your Own Device" (BYOD) refers to students bringing a personally owned device (Microsoft based Laptops and Netbooks) to school for the purpose of learning.

How will my child be using their device during the school day?

Students will use their registered devices to complete in-class activities, check their student portal, collaborate in real time, research for projects, and access websites with curriculum-related content.

A number of parents have asked about recommendations for specific brands and models of Netbooks/Laptops. Students may use any model or brand as long as it meets the specifications as listed. It is recommended that all devices have an application which will provide the equivalent to the following elements of the Microsoft Office Suite: word processing, spreadsheet and presentation software [Word, Excel and Power Point] and a web browser.

Preferred devices are: Microsoft based Laptops and Netbooks.
