DONCASTER
SECONDARY COLLEGE

PARENT PAYMENT ARRANGEMENTS YEAR 9

Dear parent/guardian,

Doncaster Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Doncaster Secondary College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible learning resources and programs to maintain the high quality education programs and support services for our students. We want to thank you for all your support, whether that's through financial contributions or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has gone towards areas such as: Building Fund (tax deductible), Library Fund (tax deductible), College Wellbeing, Information Technology Support and additional classroom support. As an example, the College currently has a full time Health Centre Officer, added Careers/Pathways support and also a significant financial commitment through a Co-op loan for our self-funded sport stadium. We also run many more educational programs and remedial support options to create a positive environment and improved learning outcomes.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

GLENN MORRIS
